4.3.1 Extra-Collegiate Instructor

The rank of extra-collegiate instructor is ~~for either the usual rank of initial appointment for~~ library faculty ~~on the continued appointment track,~~ or ~~for extra-collegiate~~ Virginia Cooperative Extension faculty ~~on the continued appointment-track~~ whose positions have been designated for continued appointment-track and who have not completed the terminal degree. Annual appointments may be renewed within the limits of a probationary period. Ordinarily, continued appointment would not be awarded at the instructor rank, although time spent at this rank counts in the probationary period leading to continued appointment. ~~A master's degree or significant professional experience is the minimum expectation for appointment at this rank.~~

Extra-collegiate extension instructors who complete their terminal degree may be recommended for promotion to assistant professor by the unit chair with the approval of the director, dean, provost, president, and the board of visitors. Extra-collegiate instructors in the library may be recommended for promotion to assistant professor by the dean of University Libraries with the approval of the provost, the president, and the board of visitors.

Promotion of library and extension faculty to the ranks of associate or full professor is conducted in accordance with procedures in section 4.5.4, "Evaluation Procedures for Promotion and Continued Appointment."

4.3.2 Assistant Professor

~~The rank of assistant professor is the usual rank of initial appointment for faculty on the continued appointment-track.~~ Appointment to the rank of assistant professor carries with it professional responsibilities in learning, discovery, and engagement. An assistant professor may be assigned responsibility for teaching graduate courses and for supervising master's theses and doctoral dissertations, as well as serving on graduate student committees. The terminal degree appropriate to the field is expected for appointment to this rank. (Further information regarding appropriate credentials for teaching faculty is found in section 2.5.9, "Faculty Credentialing Guidelines," and on the [provost's website](#).)
