IV. Old Business

A. GSA Constitution ChangesÑSecond Reading

Ms. Kasey Martin presented the GSA Constitution Changes for second reading and outlined the changes that were made as a result of the first reading on October 2. Mr. Mehta opened the floor for questions and discussion. Being none, there was a motion to approve the GSA Constitution. The motion was seconded and approved.

V. New Business

A. Discussion of Parking Issues - Ben Kearney

Mr. Kearney opened a discussion of parking issues by distributing a list of concerns related to: vehicles driving on sidewalks; parking tickets; parking for residents and commuters; a parking garage; Blacksburg Transit routes; and Parking Services revenue. Mr. Mehta opened the floor for discussion. Additional
concerns brought up during the discussion are: why must tickets be paid before
they are appealed; can parking times for graduate students be extended; why are
faculty and staff allowed to park in student lots without being ticketed; are there
lots on campus where more tickets are written; are other groups on campus
ticketed as quickly as students. Mr. Kearney will forward the list of concerns to
Mr. Steve Mouras, Director of Transportation, and Mr. Richard McCoy, Parking
Manager, who will attend the November 6 meeting to address these concerns.

B. Discussion of Student Services Ed Spencer

Dr. Ed Spencer, Assistant Vice President for Student Affairs, thanked the
commission for inviting him to speak on student services. He suggested the
commission also invite Mr. Dwight Shelton, Vice President for Budget and
Financial Management, or Mr. Minnis Ridenour, Executive Vice President and
Chief Operating Officer, for a more in-depth discussion of tuition and fees. Dr.
Spencer explained how student fees are used for operating funds in various
departments on campus, and the services provided by this funding. He
explained that even though students have been charged higher tuition and fees
this year, the higher rate still has not covered all the money lost in the state
budget cuts. As a result, departments have been forced to cut budgets and
consequently cut the services they are able to offer.

Dr. Spencer distributed handouts comparing Virginia Tech to our peer institutions
in Virginia and the nation. Virginia Tech has the second highest tuition rate in the
state compared to other four-year institutions. However, we have the lowest total
rate in the state when tuition, fees, and room/board are compared. When
compared to 19 public four-year institutions in the nation, Virginia Tech ranks 16th
in terms of tuition, fees, and room/board.

Dr. Jerry Niles, Dean of Liberal Arts and Human Sciences, and Dr. Lanny Cross,
Vice President for Student Affairs, briefly discussed how the university relies on
strategic planning for allocation of budgets.

Dr. Spencer stressed that the administration is interested in hearing the student
opinions on these matters. He encouraged students to work with their student
organizations this semester in getting their opinions voiced to the administration,
before budget decisions are made in the spring. Mr. Mehta indicated he will
invite Mr. Shelton and Mr. Ridenour to speak to CSA this semester.

C. Board of Visitors Information Session Myrna Callison and Allan Bradley

Mr. Allan Bradley and Ms. Myrna Callison, Undergraduate and Graduate
Representatives to the Board of Visitors, discussed the upcoming BOV
Information Session on Comprehensive Review of Race-Conscious Programs.
The Information Session will be held on November 10 at 3:00 p.m. in Owens
Banquet Hall. The focus of the session will be narrow tailoring of race-conscious
programs. Last spring the university asked all departments to review their
programs for race-conscious aspects. Dr. McNamee will provide an update of
this review at the November 10 session. For the future, the university will
continue to monitor all programs to ensure legal compliance. The university will
also have an increased commitment to improve and support diversity on campus.
Mr. Bradley and Ms. Callison stressed the importance of student feedback and input at the Information Session. They asked the student leaders to discuss this issue with their groups and e-mail the groups’ questions to them at abradley@vt.edu or mcalliso@vt.edu. They will also discuss the questions at the next CSA meeting on November 6. They encouraged the students to attend the Board of Visitors open sessions on November 2 and 3 as well.

D. Major Entertainment Sponsorship

Mr. Mehta distributed copies of Policy 8215, Major Entertainment Sponsorship, which states that in 1977 CSA granted Virginia Tech Union the exclusive privilege to sponsor all major entertainment events on the Virginia Tech campus. Mr. Erik Kneubuehl, Director of Campus Programs, UUSA, will attend the next meeting to discuss proposed changes to the policy.

III. Minutes from October 16 Meeting

Mr. Mehta announced that the minutes of the October 16 CSA meeting have been electronically approved by the commission and forwarded to University Council.

IV. Special Report - Rights and Responsibilities of Graduate Students

Dr. Rakesh Kapania, Chair of the Commission on Graduate Studies and Policies (CGS&P), discussed the “Bill of Rights and Responsibilities of Graduate Students at Virginia Tech.” Dr. Karen DePauw, Vice Provost for Graduate Studies and Dean of the Graduate School, set up a committee to develop this document as a guide for graduate students regarding their rights and responsibilities in terms of their conduct and academic pursuits at Virginia Tech. The committee reviewed similar documents at our peer institutions and sought feedback from other universities. The committee wrote several drafts of the document before it was presented to CGS&P. CGS&P is seeking comments from other commissions before they finalize the document and send it to University Council. Comments should be sent to Dr. Kapania at rkapania@vt.edu and Mr. Panjak Gupta, President of GSA, at pgupta@vt.edu. The document will be
discussed again at the November 20 CSA meeting as old business.

V. Old Business

A. Parking Issues
Mr. Richard McCoy, Parking Manager, updated the commission on changes that are taking place in Parking Services. He briefly discussed the Transportation and Parking Master Plan, which was designed to improve parking, traffic, and alternative transportation on campus. Implementation of the plan recommendations are expected to begin in June 2004. They have already made changes to campus roadways that will make the campus more bike and pedestrian friendly. Parking Services continues to work with Ms. Suzanne Ducker, Alternative Transportation Manager, in promoting alternative transportation on campus. Questions related to carpooling, CAP permits, and bicycles may be answered by Ms. Ducker at sducker@vt.edu.

Mr. McCoy addressed a list of questions the commission forwarded to him following a discussion of parking issues at the October 16 meeting. The questions were related to: vehicles driving on sidewalks; parking tickets; parking for residents and commuters; a parking garage; Blacksburg Transit routes; Parking Services revenue, why must tickets be paid before they are appealed; can parking times for graduate students be extended; why are faculty and staff allowed to park in student lots without being ticketed; are there lots on campus where more tickets are written; are other groups on campus ticketed as quickly as students. Mr. McCoy indicated his willingness to speak to other student groups for further clarification on any of the issues. Additional questions may be sent to him at rimccoy@vt.edu.

B. Major Entertainment Sponsorship

Mr. Erik Kneubuehl, Associate Director of Campus Programs, and Mr. Greg Beecher, Associate Director of Event Services, attended on behalf of UUSA to discuss proposed changes to the Major Entertainment Policy. Copies of the current and proposed policies were distributed to the commission for first reading at the October 16 meeting. There was a motion to waive full reading of the policies. The motion was seconded and passed. Mr. Kneubuehl and Mr. Beecher explained that the changes are being made because the current policy hasn’t been reviewed since 1977. In addition, Event Services has seen an increase in the number of student organizations asking to host major entertainment events on campus. The current policy doesn’t include enough structure to support the organizations in relation to advisement, resources, and consultation as they are planning their events. The proposed changes set up a consultation system between Event Services and the Student Activities Office that will help the student organizations understand legal issues, cost, budgeting, marketing plan, etc. This will help the organizations decide if they can go forward with the event as planned. Following a question and answer period, there was a motion to approve the changes to the policy. The motion was seconded and passed unanimously.

C. Board of Visitors Information Session on Race-Conscious Programs
Ms. Myrna Callison, Graduate Representative to the Board of Visitors, reminded the group of the BOV Session on Race-Conscious Programs being held on November 10 from 3:00-5:00 p.m. in Owens Banquet Room. Ms. Rachel Rizk from RHF commented that the November 3 breakfast meeting with the BOV Student Affairs Committee and student members of CSA was very informative and asked if future meetings can be planned to increase communication between the Board and students. Dr. Cross said he will speak with the Student Affairs Committee chair to see what can be worked out. He also suggested that Order of the Gavel invite a Board member to attend one of their meetings.

V. New Business

A. Virginia Tech Union Constitution Changes (First Reading)

Ms. Brooke Randa, President of VTU, discussed proposed changes to the VTU Constitution. They are proposing minor changes that show the new titles of UUSA employees acting as advisors for VTU. The new titles are a result of reorganization in UUSA this year. Mr. Mehta opened the floor for questions and discussion. There were none. Second reading will take place at the November 20 meeting.

B. University Updates

Mr. Vivek Mehta updated the commission on a few items that were brought up at the brainstorming session on September 18:

1. Fall Break

A Fall Break has been approved and the first will occur on a Friday in October of Fall Semester 2005-2006.

2. BOV Student Representatives

Mr. Mehta has discussed with the President’s office and the BOV student representatives the issue of whether the student representatives should be voting members in future years. It is felt the representatives are more effective as non-voting members who are voicing the student opinions to the Board.

3. Weekday Football Games

Mr. Mehta has discussed this topic with the administration as well. It is financially beneficial to the university to host weekday football games because of television coverage. The university has the opportunity to host two or three weekday games per year, but the goal is to host only one per year. The commission can discuss this further if there is enough interest.

VI. Announcements
Ms. Kim Mitchell announced that mandatory workshops on annual funding will begin on Monday, November 10. There will be two workshops in November, one in December, and one in January. Sign-up for the workshops takes place in 319 Squires.

Ms. Brooke Randa announced that VTU is bringing Lonestar, a country group, to Burruss Auditorium on December 5 at 8:00 p.m. Tickets are $12 for students, $18 for non-students.

Ms. Rachel Rizk announced that RHF is forming an ad hoc committee to address upper quad parking and will bring a resolution to CSA later in the year.

Ms. Rizk also announced plans to invite speakers from the Office of Risk Management and Event Services to discuss student organization insurance. She plans to develop a list of questions on this topic at the November 20 meeting.

Mr. Anand Patel announced that CISO is hosting the Dance of Nations in Squires Commonwealth Ballroom on November 7 at 7:00 p.m.

Ms. Callison indicated that the document had first reading at University Council on November 17 and second reading will take place on December 1. C. Parking Resolutions

Mr. Ben Kearney presented six parking related resolutions for first reading:

Resolution CSA2003-2004A: Resolution Concerning Unauthorized Faculty Parking.

Resolution CSA2003-2004E: Resolution Concerning Extending C/G Parking Lot Hours
Resolution CSA2003-2004F: Resolution Concerning Vehicles Driving on Unauthorized Sidewalk

The commission discussed each resolution and suggested several grammatical changes as well as changes that would clarify the intent of the resolutions. Mr. Kearney will revise the resolutions based on these suggestions and bring them forward for second reading on December 4.

V. New Business

A. Discussion of Student Organization Insurance

Ms. Rachel Rizk distributed and discussed a handout on student organization insurance. Ms. Rizk has been researching this topic because student organizations are now required to purchase insurance to cover large events on campus. When the organizations do not have annual insurance policies, they must purchase day policies, which are much more expensive. University Student Life Programs (USLP) are insured through the university, but other student organizations are not. Ms. Kim Mitchell said the Student Budget Board had been expecting more requests for insurance since the change in requirements two years ago, but have received only a few so far. The requests would come through the small grant process. Following a brief discussion, the commission decided to invite Mr. Fred Weaver from Risk Management and a representative from Student Legal Services to attend the first meeting of Spring Semester to advise the student organizations on the need for insurance.

VI. Announcements

Mr. Mehta announced that Mr. Dwight Shelton and Mr. Minnis Ridenour will attend the December 4 meeting to discuss budget issues.

A. Parking Services

i. Overview

Mr. Mehta gave a brief review of the parking resolutions that were discussed at the December 4 CSA meeting. Resolutions 2003-
2004B (Concerning Parking Ticket E-mail Notification System),
2003-2004C (Concerning Vehicles Driving on the Sidewalk at
Night), and 2003-2004D (Concerning Vehicles Speeding on the
Sidewalk) were approved on December 4. Resolutions 2003-
2004A (Concerning Unauthorized Faculty Parking), 2003-2004E
(Concerning Extending C/G Parking Lot Hours), and 2003-2004F
(Concerning Vehicles Driving on Unauthorized Sidewalk) were
tabled until the next meeting. Resolution 2003-2004A has been
completely rewritten and is being brought to the table for first
reading.

ii. Legislation

Mr. Ben Kearney reintroduced Resolution 2003-2004F, Resolution
Concerning Vehicles Driving on Unauthorized Sidewalk, for
second reading. Following a question/answer period and
discussion, the commission moved to vote. The resolution was
approved with one abstention and will be forwarded to Parking
Services.

Mr. Kearney reintroduced Resolution 2003-2004E, Resolution
Concerning Extending C/G Parking Lot Hours, for second reading.
Following a question/answer period and discussion, the
commission moved to vote. The resolution did not pass.

Mr. Kearney introduced Resolution 2003-2004A, Resolution
Concerning Unauthorized Faculty Parking, for first reading due to
extensive revisions. The rewrite specifies that the totem pole
effect of parking be eliminated so that faculty/staff and graduate
students only be allowed to park in their designated lots, not in
commuter and resident lots because these lots are already
extremely crowded. A question/answer period and discussion
followed. Mr. Mehta asked that additional comments be sent to
Mr. Kearney at bkearney@vt.edu or to Ms. Myrna Callison at
mcall isso@vt.edu. Second reading will take place at the February
5 meeting.

B. Board of Visitors Student Representative Selection Process

Dr. Lanny Cross briefly reviewed the procedures for the selection of the
Student Representatives to the Board of Visitors. He encouraged student
leaders to apply. Applications were distributed to those who were
interested in applying. The application deadline is 5:00 p.m. on February
2. Mr. Mehta also discussed the procedures and reminded the
commission that undergraduate applications will be reviewed and rated
by CSA members. He encouraged all members to attend the February 5

II. Adoption of Agenda

Mr. Mehta called for approval of the agenda. Ms. Kasey Martin requested that Mr. Chris Wise be added as a speaker for item IV.A. Update on Student Services Fees Committee. The agenda was approved as amended.

III. Old Business

A. Board of Visitors Student Representative Selection Process — distribution of applications for Undergraduate Representative

Mr. Mehta briefly outlined the review procedures for the applications for Undergraduate Representative to the Board of Visitors. The deadline for submitting applications was Monday, February 2. Thirteen applications were received for the undergraduate position; nine for the graduate position. Copies of the undergraduate applications were distributed to the commission for review. Rating sheets are to be returned at the February 19 CSA meeting or returned to Donna Sanzenbach in 112 Burruss. The top six candidates will interview at the March 4 meeting.
Interview questions will be discussed at the February 19 meeting.

B. Resolution CSA2003-2004A (Second Reading) — Myrna Callison

Ms. Callison made a motion to table the resolution until the February 19 meeting because the language of the resolution still needs additional revisions. The motion passed and the resolution will be brought forward for second reading on February 19.

IV. New Business

A. Update on Student Services Fees Committee — Kasey Martin & Chris Wise

Ms. Kasey Martin announced that their committee has been contacting various departments to discuss how the budget cuts have affected their services to students. She will speak with the Athletic Department, Chris Wise will discuss Recreational Sports, Kim Mitchell will bring information about the Student Budget Board and funding that is available to student organizations, and the entire committee will speak with Dr. David Ostroth, Associate Vice President for Student Affairs, to get an overall impression of how the budget cuts have affected the students. Ms. Martin asked the commission if there were others who should be contacted. Mr. Tom Brown indicated that the majority of questions they receive in the Student Life and Advocacy Office are related to athletics. He will send a list of these questions to Ms. Martin prior to her discussion with the Athletic Department.

Mr. Chris Wise, Associate Director of Recreational Sports, distributed and discussed a handout on the Recreational Sports budget and how student fees are used in their department. Mr. Wise also discussed how the budget cuts have impacted their department and the services they provide to students.

Ms. Martin asked the commission to send additional questions on student services to her e-mail: ksimmons@vt.edu.

B. Late Fees and Holds on Student Accounts — Vivek Mehta

Mr. Mehta distributed and discussed a handout written by Mr. Ben Kearney, who has researched the issue of why students are dropped or have a hold on their accounts. A question and answer period followed, and the commission decided to invite Evelyn Ratcliffe from the Bursars Office to the next meeting to address the
top concerns: 1) Can students be notified via e-mail when a hold has been placed on their account? 2) How many students are being purged due to non-payment? What can we do for students who have been purged? Can their classes be automatically reinstated after fees are paid?

V. Announcements

Mr. Mehta asked if other committees had anything to report. Ms. Myrna Callison reported that the Health Care Committee would be meeting with Jean Baker from Schiffert Health Center.

In other announcements, Mr. Allan Bradley announced that the 5th Annual Henry J. Dekker Leadership Conference will be held on March 3, 7:00-9:30 p.m. at the German Club Manor. Application deadline is February 25. Apply online at www.vtgc.net/leadership.

Mr. Grant Otto announced that LGBTA will hold a mock wedding ceremony on the drillfield on February 19th in honor of Freedom to Marry Day.

Ms. Brooke Randa announced that VTU has the following upcoming events: Guster, Carbonleaf, and the Graham Colton Band on March 1, 7:00 p.m. in Burruss Auditorium. The movies, Glory and The Color Purple, were shown in honor of Black History Month. The date for Titanic changed from February 25 to February 24.

IV. Guest Speaker: Evelyn Ratcliffe regarding Student Accounts

Ms. Evelyn Ratcliffe and Ms. Traci McCoy from the Bursar’s Office attended the meeting as a follow-up to the February 5 meeting, when student accounts were discussed. They distributed handouts on the Spring 2004 Financial Purge and the Statement Processing Schedule. They discussed the purpose of the purge process, the notification process, and how classes are reinstated. They stressed to students the importance of keeping their billing address up-to-date on Hokie Spa and keeping in touch with parents if bills are sent to home addresses.

During the question and answer period, the guests were asked to address the
following questions from the February 5 meeting: 1) Can students be notified via e-mail when a hold has been placed on their account? Ms. Ratcliffe said they would have to check and see if this is possible, but pointed out that holds are shown on Hokie Spa and encouraged students to check their Hokie Spa accounts regularly. 2a) How many students are being purged due to nonpayment? This semester, 88 students were dropped from classes, and 31 had been reinstated as of 2/18/04. b) What can we do for students who have been purged when there is no administrative error—can their classes be automatically reinstated after fees are paid? Ms. Ratcliffe stated that it is the Registrar’s policy not to automatically reinstate purged students. The college deans decide the reinstatement policy for their colleges. Mr. Mehta thanked the Ms. Ratcliffe and Ms. McCoy for attending the meeting.

V. Old Business

A. Board of Visitors Student Representative Selection Process

1) Collection of rating sheets

2) Discussion of interview procedures and questions for March 4 interviews

Mr. Mehta explained the current procedures for interviewing the semi-finalists and opened the floor for discussion of the procedures. Following a discussion, the commission voted to make a change (indicated in italics) to the candidate introduction procedures: each candidate will have four minutes to introduce themselves and discuss: their motivation for the job, why they are prepared for the job, what they know about the job, and how they plan to handle the time commitment involved for this position.

The commission discussed the two questions that would be asked of each candidate at the March 4 interviews, and voted to ask the following questions: 1) If you were sitting here now in front of the Board of Visitors and they asked what issues are on the students’ minds, other than the budget, how would you answer? 2) How would you be an advocate for undergraduate students even when the student body’s views are in conflict with one or more Board members? For the 30 second summary, the following question will be asked: In 30 seconds or less, is there anything more you would like to tell us that hasn’t been covered in this interview? During the interviews, Allan Bradley will present the first question to each person; Myrna Callison will present the second question; and Nic Temple will present the summary question. Brooke Randa will be the timekeeper for the interview process. Mr. Mehta asked the commission members to dress in business attire for the interview meeting, and stressed the confidentiality of the interview questions.

IV. Old Business

A. SGA Parking Resolution to Change Drillfield Parking Procedures (2nd Reading)

Mr. Sumeet Bagai presented Resolution 2003-2004G, Resolution to Change Drillfield Parking Procedures, for second reading. The resolution requests that Parking Services withdraw the regulation of Graduate and Faculty/Staff only parking until 8:00 p.m. on the Drillfield, and revert back to open parking beginning at 5:00 p.m. through 7:00 a.m. the following day. Following a question/answer period and discussion, there was a motion to table the resolution until the authors can take the piece back to GSA, Faculty Senate, and Staff Senate to get their input documented. The motion passed.
B. SGA Resolution for Altering Hillcrest Honors Community Parking Privileges (2nd Reading)

Mr. Allan Bradley presented Resolution 2003-2004H, Resolution to Alter Hillcrest Honors Community Parking Privileges, for second reading. The resolution requests that Parking Services sell only Resident parking passes, rather than Commuter parking passes, to the undergraduates residing in the Hillcrest Honor Community beginning Fall Semester 2004. Following a question/answer period and discussion, there was a motion to vote on the resolution. The resolution passed and will be forwarded to Parking Services with the other parking resolutions from this year.

C. SGA Resolution Requesting Department Heads to Ask Teachers to Provide Mid-Semester Evaluations (2nd Reading)

Mr. Sumeet Bagai presented Resolution 2003-2004I, Resolution Requesting Department Heads to Provide Mid-Semester Instructor Evaluations, for second reading. The resolution requests that the head of each academic department offer a mid-semester evaluation to the students enrolled in classes in each department in order to further promote advancement in the learning process by benefiting professors and students alike. Mr. Bagai pointed out that the title of the resolution has been changed, as suggested at first reading, to make it clear that students are asking for faculty to be evaluated at mid-semester. They also added wording to make this change to the Faculty Handbook. A question/answer period followed. There was a motion to amend the wording in the Faculty Handbook portion of the resolution as follows: “The minimum university expectation is that evaluations be administered in at least one course twice a semester (one mid-semester, one at the end of the semester) by untenured faculty and at least one course per academic year (one mid-semester, one at the end of the semester within this same course) by tenured faculty.” The motion passed. During the discussion period, there was a motion to amend the wording of the first resolved as follows: “…to offer a mid-semester evaluation of courses and instructors to the students…” to correspond with the language of the resolution title. The motion passed. Several commission members expressed concern about how the evaluations will be received by the department heads and the faculty. There was also concern about how the survey instrument would be designed and how the evaluations would be used by the faculty after completion. Since the changes directly affect the faculty, there was a motion to table the resolution until it can be presented to Faculty Senate for their reaction and comments. The motion passed. It was also suggested that we ask for input from the Center for Excellence in Undergraduate Teaching and the Center for Academic Enrichment and Excellence.

V. New Business

I. Call to Order

II. Adoption of Agenda

Ms. Randa called for adoption of the agenda. Ms. Kasey Martin made a motion to add Update on Drillfield Parking under Old Business. The motion passed.

III. Minutes of March 18th Meeting

Ms. Randa announced that the minutes of the March18th meeting have been sent to the commission for electronic approval. The deadline for making changes is 5:00 p.m. on Wednesday, April 7.

IV. Old Business

A. Update on Drillfield Parking

Ms. Kasey Martin sent an e-mail to the GSA listserv to get feedback from graduate students on the Resolution to Change Drillfield Parking Procedures. Under the resolution, the SGA is requesting that Parking Services withdraw the regulation of Graduate and Faculty/Staff only parking from 5:00 p.m. until 8:00 p.m. on the Drillfield, and revert back to open parking beginning at 5:00 p.m. through 7:00 a.m. the following day. In her e-mail to graduate students, Ms. Martin suggested a compromise that the rule not be eliminated entirely but changed so that those with commuter/graduate hang tags be allowed to park on the Drillfield after 5:00 p.m. She received 48 responses to the e-mail and distributed a handout outlining their feedback. Of the 48 responses, 18 were willing to agree to the compromise, 30 were unwilling to compromise. The main reasons against changing the current parking rule is the level of
graduate student responsibilities, overcrowding and traffic on the Drillfield, and graduate student privilege.

Ms. Randa reported that she has spoken to Richard McCoy in Parking Services about how the current Drillfield parking policy began. Mr. McCoy said it began about four years ago after a resolution calling for the change was approved by Faculty Senate. The changes were requested because graduate students driving to campus after 5:00 p.m. need parking spaces near classes where they are teaching, as well as the library and their research labs and offices.

During the question/answer period, representatives from Faculty Senate were asked for their input. Ms. Ellen Krupar and Ms. Caryl Gray feel there will be some opposition from the Faculty Senate because faculty often come to campus after 5:00 p.m. for class and work, and the change would impact them as well. Mr. Matthew Lieber said the graduate students discussed this topic at a meeting and it was brought up that there is no data on the number of Drillfield parking spaces being used after 5:00 p.m. They feel it would be premature to pass the resolution until this has been studied. These comments and concerns will be taken into account by the SGA as they bring the resolution to the table again.

V. New Business

A. Blacksburg Noise Ordinance

Mr. Puraj Patel presented Resolution 2003-2004J, Resolution Requesting the Blacksburg Council Members to Revisit the Noise Ordinance, for first reading. The Blacksburg Town Council recently passed an ordinance deeming a noise violation to be a Class 2 misdemeanor, punishable by up to a $1,000 fine per person residing in the dwelling and/or six months imprisonment. The resolution calls for the Town Council to reconsider the Class 2 misdemeanor for a first offense of a noise ordinance. It also asks that citations and summons only be issued to those who are in the dwelling at the time of the incident, rather than all residents of the dwelling. A question and answer period followed. There was a suggestion to change the word “consist” to “comprise” in the second whereas. The change will be made before second reading.

B. Student Budget Board—Kim Mitchell

1. Approval of Annual Funding Recommendations

Ms. Kim Mitchell distributed several documents related to the Student Budget Board’s 2004-2005 annual funding allocations for University Student Life Programs and University Chartered Student Organizations. Sixteen organizations requesting $972,130 were funded at a total of $669,233 or 69 percent of requests. Following a question/answer period, there was a motion to approve the Student Budget Board’s funding recommendations for 2004-2005. The motion passed.

(Mr. Vivek Mehta arrived and took over as chair of the meeting.)
2. Appointment of Appeals Subcommittee

Ms. Mitchell explained that groups may appeal the funding recommendations for the following three reasons only: 1) established policies and procedures were not followed; 2) the organization was denied the opportunity to present significant evidence at the hearing; 3) the funding decision was arbitrary and capricious. The fact that the Board did not fund an item at the requested level does not constitute grounds for appeal. Mr. Mehta asked for volunteers to serve on the appeals subcommittee. Ms. Roberta Snelling, Mr. Grant Otto, Mr. Pat Colleran, Ms. Cristin Coles, Ms. Kasey Martin, and Mr. Vivek Mehta, and Ms. Monika Gibson volunteered. Ms. Gibson agreed to serve as chair. Appeals letters are due to Ms. Donna Sanzenbach in 112 Burruss by 5:00 p.m. on April 19.

C. Core Curriculum Committee’s Resolution Regarding Change to the University Writing Requirement—Clarresa Morton

Dr. Clarresa Morton distributed the Core Curriculum Committee’s Resolution to Revise the Writing-Intensive Requirement for the commissions’ information and discussed the purpose of the resolution. Over the past few years there has been concern among the faculty about the effectiveness of the current writing-intensive requirement. The resolution recommends that the writing intensive requirement be transitioned into a speaking-visual-writing requirement. Responsibility for planning, implementing, and assessing the requirement will be transitioned from the University Core Curriculum to the departmental level. The resolution has been discussed with other commissions and each college’s curriculum committee. The current version reflects changes made as a result of these discussions. The resolution is being sent to University Council. Dr. Morton asked the commission members to share the resolution with their constituent groups, and a followup discussion will take place at the April 15 CSA meeting.

D. National Pan-Hellenic Council—Melanie Roberts

Ms. Melanie Roberts announced that she has been attending the commission meetings because the National Pan-Hellenic Council is interested in joining the commission. Their constitution has been updated and she will bring it to the April 15 meeting for approval. Once their constitution has been approved, they will ask for consideration for membership.

E. Nominations for Chair & Vice Chair

Mr. Mehta announced that elections for 2004-2005 CSA chair and vice chair will take place at the April 15 meeting, with nominations starting today. There was a motion to open the floor for nominations for next year’s chair and vice chair. The motion passed. Ms. Kasey Martin was nominated for chair and accepted the nomination. Mr. Grant Otto was nominated for vice chair and also accepted the nomination. Nominations will continue at the April 15 meeting and may also be made electronically by e-mailing Mr. Mehta at vm@vt.edu; Ms. Randa at jranda@vt.edu; or Ms. Sanzenbach at donnac@vt.edu.
