## **AGENDA**

### **Announcement of approval of October 2016 minutes**

Meeting minutes were approved by e-mail.

### **Parking and Transportation Update**

Jeri gave an update on the status of the tiered permit pricing. The proposal is not off the table. This could mean a 7% increase to maintain reserves. The proposed price for increase of permits is approximately \$19 for commuters and graduate students, \$27 for residents and \$17 for faculty/staff. There are budget meetings in December and early January and Jeri will have more information for the committee at the next meeting.

### **Virginia Tech Police Department Update**

No report at this time

### **Bike Share Program**

Austin reported that SGA has submitted the RFP. They have two months to submit support information on the success of the program. A survey will be sent through SGA distribution lists to gain student input and feedback. Austin asked the committee for suggestions on additional supplemental information and inquired about the next steps for a potential increase of \$0.50.

Jeri suggested contacting Laura Neff-Henderson or University Relations to have the survey as a VT News item. Jeri indicated that the increase may need approval from the Budget Office and possibly the Board of Visitors. She gave the contacts for the BOV representatives. Ryan will mention this at the next Commission on University Support meeting. John gave the suggestion of using the GSA distribution lists for information dissemination.

### **Constituent Reports**

### **Questions and Comments**

An update was given on the Town Hall Meeting with GSA where the bike share program

was discussed.

A motion was made to cancel the December 21, 2017 meeting. This will allow for budget hearing meetings to occur.

**Next Meeting Date**

The committee will reconvene on January 25, 2016

**Adjourn**

There being no further business, a motion to adjourn was made by Jeri and seconded by John and Virgilio

Respectfully submitted,
