  Proposal Review Group
  Planning and Direction Group
  Core Assessment Group
A list of the current Members of the following subcommittees was circulated among the members for their review. Each member was asked to volunteer for a subcommittee.

• Subcommittee Conveners – Conveners of each subcommittee will be determined after all members have signed up for one of the three subcommittees.

• Election of Vice Chair – Chairman Nottingham indicated that he recently e-mailed the Committee requesting a volunteer for the office of Vice-Chair. To date, no one has responded.

5. REPORT FROM THE PROPOSAL REVIEW GROUP
First Reading – The following course proposals were distributed to UCCC members at this September 20, 2006 meeting. Copies were mailed to those unable to attend.

BC 3115-3116, Building Culture, a History of Construction, Area 2 and Area 6, effective spring 2007.
After a lengthy discussion, a motion was made and seconded to return the proposal to the department for further clarification concerning how Course Numbers BC 3115-3116, will fit into the Building Construction curriculum, and to clarify the rationale for these courses in Areas 2 & 6. Motion carried.
6. **OLD BUSINESS –**

   **Status of Name Change Resolution** – Chairman Nottingham gave a history of the UCCC Resolution which came from the Ad Hoc Steering Committee’s recommendation to change the University Core Curriculum to ‘Curriculum for Liberal Education’ and to change the name of the University Core Curriculum Committee to ‘University Curriculum Committee for Liberal Education.’ The Resolution was approved electronically by the UCCC on April 3, 2006.

   On September 18, 2006, the Resolution was presented to University Council for their consideration and approval. Susanna Rinehart, Assistant Provost for Liberal Education and University Studies, attended the meeting and reported that a decision was not made after the Resolution’s First Reading. If the Resolution is passed, the name of the UCCC will also change.

The Subcommittee will meet again before the next UCCLE meeting in November.

7. **OLD BUSINESS**

   **Status of Name Change Resolution** – At the University Council meeting on October 2, 2006, the Name Change Resolution was approved. The name of the University Core Curriculum has been changed to the *Curriculum for Liberal Education (CLE)*. The name of the University Core Curriculum Committee is now the *University Curriculum Committee for Liberal Education (UCCLE)*.

8. **OTHER BUSINESS**

a. **Finance ViEWS Proposal** - After an extensive discussion and overview by Monique Dufour concerning the Committee’s accomplishments in the spring of 2006 for this Proposal, this item was tabled until the November 15, 2006, UCCLE meeting, pending the acquisition of department proposals retained in the Provost’s Office. It was estimated that ten to twelve (10-12) departments have not yet submitted a Proposal, and noted that the weakest part of the submitted Proposals was ‘assessment.’ Neal Hauenstein, last year’s Chair, will forward all files relating to ViEWS to Chair Nottingham.

   Chair Nottingham asked that the Committee approve the Finance Department’s ViEWS Proposal. Since this was extensively reviewed by both Quinton Nottingham and Monique Dufour, a motion was made and seconded to approve the Proposal. The motion carried.

b. **Core Curriculum Initiatives and VT Pathways** – Susanna Rinehart – Ms. Rinehart discussed the draft version of VT Pathways website which has been circulated among a selected group of faculty, administrators, and students, for their review and comments. Ms. Rinehart is convening a group to move the VT Pathways language forward.

   **First Year Experience Program** – Ms. Rinehart is conducting a content analyses of the various First Year Experience programs and courses currently available at VT.

   **Quality Enhancement Plan (QEP)** – QEP is part of the SACS Reaccreditation process and will most likely be focused on Liberal Education.

c. **Office of Assessment Update** – Ray VanDyke – This item was tabled until the next UCCLE meeting on November 15, 2006.

d. **Review “Student-Defined Liberal Education Option at VT” (P&D Subcommittee)** – This option needs UCCLE approval so it can be submitted to the Planning and Direction Subcommittee. A motion was made and seconded to approve the Student-Defined Liberal Education Option at VT and submit it to the Planning and Direction Subcommittee for their review. It was agreed that the concept of the option, the logistics, and faculty involvement in this option will be fully explained. The motion carried. It was agreed by Susanna Rinehart that this would be an agenda item for the next P&D Subcommittee meeting to be held prior to November 15, 2006.

e. **Future Meeting Dates**:

Members Absent: Kathy Albright, Clare Dannenberg, David Ford, Elisabeth Klughardt, Neil Hauenstein, Marlene Preston, Bonnie Rosen, Ray VanDyke

1. CALL TO ORDER – The meeting was called to order at 8:45 a.m., by Committee Chair Quinton Nottingham.

2. APPROVAL OF AGENDA – Chair Nottingham indicated that because Ray VanDyke was unable to attend this meeting, that item 6(a), Office of Assessment Update, would be removed from the Agenda and added to the December 7, 2006, Agenda. A motion was made and seconded to approve this change and to approve the Agenda. The motion carried.

3. DISTRIBUTION OF APPROVED MINUTES FROM OCTOBER 18, 2006

4. REPORT FROM PROPOSAL REVIEW SUBCOMMITTEE – Chairman Nottingham stated the following proposal will be given to the Proposal Review Committee for First Reading:

   • WOOD 2784/FOR 2784, World Forests and Forest Products, Area 7, effective Spring 2007.

In the absence of Marlene Preston, Convener for the Proposal Review Group, Monique Dufour and the Proposal Review Group recommended approval of the following course:

   • BC 3115-3116, Building Culture, A History of Construction, Area 2 and Area 6, effective Spring 2007

After a lengthy discussion, a motion was made and seconded to approve the proposal recommending BC3115-3116, Building Culture, A History of Construction, Area 2 and Area 6, effective Spring 2007, for inclusion into Area 2 and Area 6. The motion carried.

5. REPORT FROM PLANNING AND DIRECTION SUBCOMMITTEE – Susanna Rinehart reported that the Planning and Direction Subcommittee (P&D) has held two (2) meetings since the November 15, 2006, UCCLE meeting. Ms. Rinehart praised the work of Bob Jones who presented the original Student-Defined LE Option at VT Policies and Procedures, at the September 20, 2006, UCCLE meeting.

Ms. Rinehart requested the approval of the UCCLE to move forward with the Proposal for the Student-Defined Liberal Education Option at Virginia Tech Proposed Pilot Program, after reviewing the November 10, 2006, edition of the Program with the Committee.

Concerning the Management Team, Jack Dudley has agreed to serve and Mary Ann Lewis will be asked to serve.

The following is a list of items to be accomplished for the Pilot Program:
1) Randomly select approximately 100-150 students from two (2) colleges (College of Science and College of Liberal Arts and Human Sciences), with a 3.0 GPA or greater (but not currently in the Honors Program), mainly freshman, with some sophomores.

2) Send invitations to selected students and their advisors.

3) Select a representative from the UCCLE (or a nominee from the UCCLE) to be part of the Management Team.*

4) Select one (1) faculty advisor from each of the two (2) colleges to serve on the Management Team.

5) Solicit some ‘sample’ programs as examples for students to use as guidelines.

6) Decide what type of recognition would be given to the student and his/her faculty advisor after completion of the Pilot Program. Recognizing faculty involvement is important as advising is ‘key’ for its success.

7) Clearly define methods for assessment.

8) Prepare a concise paragraph which clearly explains the Pilot Program. This paragraph will require UCCLE approval. A ‘draft’ will be prepared by the next meeting of December 7, 2006. Ms. Rinehart welcomes any suggestions for the summary paragraph.

*Jack Dudley will serve and Mary Ann Lewis will be asked to serve on the Management Team.

There was discussion concerning possible student failure to successfully complete a proposed program. It was agreed that the students must be protected from inappropriately negative consequences to their academic program. There was also discussion concerning the goals of the seven (7) areas of the Curriculum for Liberal Education (CLE) and whether all seven (7) areas would be addressed in the Pilot Program. It was decided that this would be defined by the P&D Subcommittee.

It was suggested that the Deans of the two (2) participating Colleges be informed of the random sampling and be asked to request the cooperation of all faculty. If a faculty member opts out of the Program, another advisor must assure that the department’s requirements are met; therefore, requiring another advisor within the department. This ‘third’ person could be in contact with the student’s regular advisor.

The P&D Subcommittee will periodically report its progress to the UCCLE.

6. OTHER BUSINESS

a. **Office of Assessment Update** – Ray VanDyke

   This item was removed until the next meeting of December 7, 2006, as Mr. VanDyke was out of town.

b. **ViEWS**: Review and Update – Chair Nottingham referred to the CUSP Resolution 2003—04A attached to the Agenda. The Resolution was approved by the University Core Curriculum Committee on February 19, 2004, and after its approval by all required areas of the University, its effective date became effective with the class entering in the fall of 2005. Once a department’s ViEWS plan is approved, it then becomes the responsibility of the respective department.

   There has been no feedback to the UCCLE concerning the ViEWS requirement. Cindy Wood stated there was a considerable amount of discussion concerning Action #4 in the spring of 2006, which required an approved plan by July 1, 2005, from each department. Chair Nottingham stated approximately eight (8) departments have not reported, and some were sent back for editing and not returned. Chair Nottingham will gather information and report to the UCCLE at the next meeting.

   Monique Dufour volunteered to prepare a ViEWS FAQ to send to all Department Heads. She will send a ‘draft’ of the FAQ to the UCCLE before the next meeting on December 7, 2006.

   • WOOD 2784/FOR 2784, World Forests and Forest Products, Area 7, effective fall 2006

5. OTHER BUSINESS -

   a. Office of Assessment Update – Ray Van Dyke
   Ray Van Dyke assumed his position as Director of Academic Assessment in July 2006 and has been meeting with people on campus to determine the current status of academic assessment. It is important to determine whether or not students are learning what faculty intends students to learn, along with improvement of assessment outcomes. Mr. Van Dyke distributed the following items to committee members:

      i. Office of Academic Assessment – Describes the function of the Office of Assessment and defines its work, its charge (taken from comments made by Dr. Diane Bell, Special Assistant to the Provost), and its priorities.

      ii. Summary of Surveys Conducted by VT Office of Academic Assessment (September, 2006) - This publication is a general summary of surveys that describe: Who is assessed? Who does the assessment? What is assessed? When did it last occur? How many years of data? Why do we use this assessment? How do we assess? and, How does the OAA disseminate the results?

   Mr. Van Dyke stated that assessment data is available for each department from the Office of Academic Assessment upon request.
b. **Liberal Education Outcomes** – Ron Daniel

Ron Daniel distributed the following publications to committee members:

i. *Why do I have to take this course?* (Dr. Robert Shoenberg) - A student guide for making smart educational choices. This publication has been distributed to some faculty and key groups on campus. Ron Daniel stated he can obtain copies for any interested committee members. Because the publication is expensive, it was suggested that this publication be integrated into a class for full impact. Advisors also need access to this information.

ii. *Liberal Education Outcomes* (an AACU publication) – A preliminary report on student achievement in college. Mr. Daniel referred the committee to section 4, *Significant Gains? Students’ Own Reports on Liberal Education Outcomes*, as a significant reference and a beginning point for UCCLE categories for liberal education outcomes.

There was discussion concerning difficulty with creating and measuring learning objectives. Ray Van Dyke stated there will be opportunities during spring semester to learn more about the process including a Winter Workshop on January 10, 2007. A workshop for Student Affairs will also be conducted in the spring.

Mr. Daniel discussed the success of the *Course of Study Planner* pilot project and how it is assisting students in viewing their curriculum.

c. **ViEWS** – Chair Nottingham asked for comments concerning the ‘draft’ FAQ for ViEWS that was prepared and distributed by Monique Dufour. Committee members are encouraged to send any comments to Monique. There was a discussion concerning the importance of student awareness of the ViEWS initiative. According to Chair Nottingham, to date there are fourteen (14) departments that do not have approved ViEWS Plans. His goal is to have all departments approved by the end of spring semester.

Some of the questions/comments concerning ViEWS that were discussed are as follows:

i. What are faculty and department roles with ViEWS?
ii. How will faculty and departments communicate with students concerning ViEWS?
iii. Should a representative from each department be appointed as a ViEWS resource? If so, should a stipend be given to that representative?
iv. Put ViEWS information on website for students, faculty and departments
v. Prepare a purpose statement to be distributed to faculty teaching ViEWS
vi. Indicate on the class syllabus explicit expectations pertaining to ViEWS
vii. Conduct an annual review of ViEWS for each department
viii. Compile a notebook of all ViEWS Plans
ix. Increase student awareness of ViEWS

A motion was made and seconded to prepare a ViEWS ‘purpose statement’ to be prepared by UCCLE for inclusion in all course syllabi. Motion carried.

d. **Student Defined Liberal Education Option** – Susanna Rinehart asked for a UCCLE volunteer for the faculty member position on the Management Team for the Student Defined Liberal Education Option. Carolyn Meier volunteered for the position.

e. Susanna Rinehart discussed the unresolved issue of her membership on the UCCLE. Presently she has guest status and requests that an ‘ex-officio’ status be considered for her position. The same should be considered for Ray Van Dyke’s position.

- GEOG 3254  –  Geography of East Asia  –  New course for Area 7, effective summer 2007

5. REPORT FROM PLANNING AND DIRECTION SUBCOMMITTEE  –  Susanna Rinehart

Susanna Rinehart reported that the CLE Pilot Program has five (5) students and Ms. Rinehart’s initial meeting with the students was excellent. She stated that another invitation may be sent to students in the fall, but at present, she is pleased with the group.

6. UNFINISHED BUSINESS

a. ViEWS Update  –  Chair Nottingham reported the following as it pertains to the submission of required ViEWS Plans from all university departments:

- Six (6) departments have approved Plans but have not sent an electronic copy as requested
- Eight (8) departments do not have approved Plans
- Five (5) Plans are currently being reviewed by the Proposal Review Subcommittee

Cindy Wood suggested that departments be given assistance regarding the development of ViEWS Plans other than the examples that are posted on the VT website.

There is an April 30, 2007, deadline for departments to submit their ViEWS Plans.

b. UCCLE Resolution 2006-2007A to Change Membership  (Tabled item from 2/28/07 UCCLE meeting)  –  Chair Nottingham distributed the Resolution to Update the Membership of the UCCLE (UCCLE Resolution 2006-2007A) for the committee’s review. A copy of the Resolution is attached to these Minutes.

i. Four (4) Ex-Officio members as follows:
   a. Provost & Vice President for Academic Affairs or designee
   b. Associate Provost for Undergraduate Education
   c. Assistant Provost for Liberal Education & University Studies
   d. Director of Academic Assessment

ii. One (1) representative selected by the Vice President for Student Affairs for a three (3) year term, eliminating the position as an ex-officio position.

iii. One (1) AP Faculty Representative from the University Libraries for a three (3) year term.

After a short discussion, a motion was made and seconded to approve the *UCCLE Resolution 2006-2007A to Update the Membership of the UCCLE*. The motion carried.

7. NEW BUSINESS

a. Area 2 AFST 1714 – SOC 2024 ‘Linkage’ – Chair Nottingham discussed the problems related to the Area 2 AFST 1714 – SOC 2024 linkage. Currently, AFST 1714 is a stand-alone course in the ‘core,’ but SOC 2024 is not a stand-alone course and is linked to AFST 1714. Dr. Nottingham spoke with Marvin Foushee, Associate Registrar, regarding the issue. Mr. Foushee indicated that the issue was discussed by the UCCC several years ago, but the committee did not make a change at that time. Susanna Rinehart suggested that the departments be contacted, and she offered to investigate the situation.

b. The last meeting of the UCCLE for academic year 2006-07 will be on Wednesday, April 25, 2007, 3:30-4:30 p.m., 210H Burruss Hall (President’s Conference Room).

2. APPROVAL OF AGENDA – There were no additions or corrections to the May 2, 2007, Agenda.

3. DISTRIBUTION OF APPROVED MINUTES FROM MARCH 28, 2007

4. PROPOSAL REVIEW SUBCOMMITTEE

Marlene Preston recommended approval of the following course:

- GEOG 3254 – Geography of East Asia – New course for Area 7, effective Summer 2007

The GEOG 3254 Proposal, Geography of East Asia, New course for Area 7, effective summer 2007, was approved electronically, and includes clarification received from the department concerning questions the Proposal Review Subcommittee submitted to the department. The clarifications are stated below:

1. Class size and provisions for student interaction
Like Geography 1014: World Regions (that class that has about 600 persons per semester and is in both core 3 and 7), this class will be aimed at 300-500 students per section taught at least once per year (summer II this year to kick it off). John intends to model the in-class portion after his World Regions so he will involve students in discussion (he has an amazing ability to do that with large groups because he makes students feel very comfortable in his class). He will also have them participate in web-based on-line assignments such as East Asian current events scavenger hunts, readings and written assignments on those readings.

2. Use of writing assignments (which of course would vary according to class size)
As noted above, the class all participates in written assignments on current events by answering a 10-10 project. These projects involve reading English language newspapers from the East Asia region and answering 10 questions based integration of those readings. This aspect counts 10-20% of the grade. John also offers essay versions of the exams to those who prefer them over op-scan gradable versions. The choice is up to the students so some are likely to take this option.

3. Appropriateness of the class for non-majors (Prerequisites are recommended?)
The purpose of the class is to provide an introduction to East Asia. While it might be useful for students to have had World Regions prior to this class, the class will be designed to accommodate the students who are taking their first geography class. The geography department makes all of its regional offerings at the 3000 level to assure a bit more maturity in the students, not to assure prior knowledge of the regions.

Note – While it is not required as part of the proposal, sometimes the committee gets a better understanding of a course if we can see the assignments and weights of those assignments.
One particular requirement of the class is that 15% of the grade is based on mandatory attendance at East Asian Cultural events. These might be through the university, the International Student association, or outside the university (Chinese New Year Celebration, Films etc.) This requirement assures that the students come in contact with students or other persons and from East Asia.

5. UNFINISHED BUSINESS

a. ViEWS Update – Chair Nottingham reported the following as it pertains to the submission of required ViEWS Plans to the UCCLE from all university departments:

- Two (2) departments have approved Plans but have not sent an electronic copy as requested
- Seven (7) departments do not have approved Plans
- Seven (7) Plans are currently being reviewed or have been returned to their department for further clarification

For Plans not received, the committee agreed that Department Heads be contacted once again to encourage the submission of their ViEWS Plans, and the committee offer assistance to the department, if necessary.

b. Area 2 AFST 1714 – SOC 2024 ‘linkage’ Update – Chair Nottingham reported that he contacted Marvin Foushee, Associate Registrar, concerning the linkage between SOC 2024 and AFST 1714 in the list of Area 2 courses, and directed him to remove SOC 2024 as an Area 2 course since SOC 2024 is not approved as a stand-alone Area 2 course. However, Susanna Rinehart felt the removal of SOC 2024 from the Area 2 listing may cause problems for the Sociology Department with respect to student enrollment and their plans for teaching the course during the summer sessions. Susanna felt the course should be reinstated in the Area 2 listing.

Ms. Rinehart had spoken with John Ryan, Chairman of the Department of Sociology, before the committee meeting concerning the linkage, and Dr. Ryan does not feel the two (2) courses should be linked, and that SOC 2024 could be a ‘stand alone’ course in Area 2.

After a long discussion, it was decided that Susanna Rinehart would contact John Ryan to request that a formal proposal be submitted to the UCCLE requesting SOC 2024 be listed as an Area 2 course. Upon receipt of the proposal, the Proposal Review Subcommittee will expedite approval so that the change would be effective for Summer 2007. Chair Nottingham stated he would contact Marvin Foushee and ask him to reinstate SOC 2024 under Area 2 and have an electronic vote of the entire committee recommending approval of SOC 2024 as an Area 2 course.
