

Resolution Proposal Form

The first official step in the process to have a resolution considered by University Council is for the chair of a university commission or senate commission to submit a resolution proposal to the University Council Cabinet for consideration. The form will assist the UC Cabinet in its determination of whether the resolution falls within the scope of the respective commission. Typically, the UC Cabinet will respond within two weeks.

Reminder: Sponsors of resolutions that have budgetary impact(s) must work with the appropriate administrators to make an estimate of cost and add that information to the resolution before the final commission vote, including the source of the estimate. The estimate of cost does not need to be finalized but should represent a good-faith effort to "ballpark" the budgetary impact(s). (University Council Bylaws, Article III, Section 1)
