Resolution Draft Notice (Concept Proposal)

The first official step in the process to have a resolution considered by University Council is for the chair of a university commission or senate commission to submit this resolution draft notice to the University Council Cabinet for consideration. The UC Cabinet will determine whether the resolution falls within the scope of the respective commission and is appropriate for consideration within the shared governance system. Typically, the UC Cabinet will respond within two weeks. An actual resolution should not be brought forward to the commission for official first reading until this UC Cabinet approval to proceed is obtained.
