Ms. Gardner-Drewry asked the members about potential topics for A/P Faculty zoom sessions. A member mentioned Professional Development and understanding how titles
align with professional development and promotion. Another member mentioned a discussion of leave and holidays and leave reporting and how supervisors handle A/P Faculty hours.

Ms. Gardner-Drewry discussed how Faculty did not receive Election Day as a paid holiday. Mr. Irvin mentioned the reason was due to the economic impact of the budget. Ms. Gardner-Drewry also shared that SGA would be open to giving up one day of the fall break to have election day off for students. All the constituent groups supported this idea for 2021. Overall the members would support the decision if SGA would bring this as a resolution.

Mr. Fansler shared the process of drafting the constitution and bylaws for the Faculty Senate for Administrative and Professional Faculty. A lengthy discussion was had amongst the members. It was decided to not have A/P Faculty associations since A/P Faculty employees do not always serve in colleges. Constituent areas would be used for proper representation. Ms. Gardner-Drewry shared the draft resolution. Ms Myers advised on next steps including giving the constituent groups a month to review between the first and second reading. Ms. Gardner-Drewry will try to get the changes discussed made in the next few days in order to meet the deadlines to present at the December University Council meeting. Ms. Myers will send the document to Ms. O'Rourke, the Vice President for Policy and Governance for review.
