2. Old Business

CSA 2020-21A
President’s Committee on Governance Resolution

Victoria presented the resolution for second reading and made a motion to approve. The motion was seconded. Discussion was had stating that the resolution looks complex, but not too many details. A question was posed if the structure is finalized, and it was shared that it is not. A vote was taken on the motion, and the motion passed.

3. New Business

a. Student Budget Board
   i. Victoria shared that the Student Budget Board and CSA Taskforce had officially met for the first time. Given they have only met once they did not discuss any specific plans, and therefore there was no update to share. Moving forward, as they continue to meet, and as future plans become available, Victoria will continue to update CSA with any important information discussed.

b. Future CSA
   i. Victoria posed the question to CSA members for them to be thinking of what they want to see within CSA next semester. This is something that will be discussed in depth at the first meeting in the spring semester.

4. Adjournment

There being no further business, a motion was made to adjourn the meeting at 3:50 pm.
