1. Adoption of Agenda

A motion was made and seconded to adopt the agenda. The motion carried.

2. Announcement of approval and posting of minutes of September 18, 2023

Dr. Merola noted that these minutes have been voted on electronically and can be publicly accessed on the Governance Information System on the Web (<http://www.governance.vt.edu>). (Note: the October 2 and October 16, 2023, meetings were cancelled.)

3. Update from the University Council Cabinet

Kim O'Rourke gave a brief update regarding items being considered by the University Council Cabinet. Items being considered include:

University Council Bylaws changes proposed (require University Council approval).

- Proposed "housekeeping" changes include:
 1. Minor changes to some commission membership.
 2. Simplification and clarification of language such as defining a quorum as a simple majority rather than 50% plus one.
 3. Scheduling University Council Cabinet meetings one week prior to the next University Council meeting.
 4. Allowing the cabinet to conduct electronic votes in lieu of a meeting.
 5. Clarifying that resolutions will continue to be presented to the University Council by the respective commission chairs or the chair's designee.

- Changes proposed to simplify process:
 1. Using a resolution proposal form (in lieu of a draft resolution) for commissions to submit to the cabinet for review. A draft resolution for commission first reading would not be required until the resolution proposal was approved by the UC Cabinet.
 2. Sending notifications to senates at various stages of the resolution approval process: when a resolution is uploaded to the resolution tracker, after a commission votes on the resolution, and after a senate votes on the resolution.

University Council Constitution changes proposed (require University Council and BOV approval):

1. Small tweaks to the University Council membership.
2. Updates to some commission charges.
3. Clarification that the handling of certain non-policy-making matters that some commissions deal with do not advance further to a senate or University Council.
4. For informational purposes (no action or discussion), the inclusion on the University Council agenda of degrees approved or discontinued through the new curriculum approval process. Otherwise, there is no formal mechanism for notifying the university community of these actions.
5. The inclusion of a definition of what matters are appropriate for shared governance.
6. The Cabinet has expressed the need for additional guidance on how to handle University Mission Initiative proposals and recommended the formation of a subcommittee to review the process.

4. Announcement of Approval and Posting of UC Cabinet, Commission, and Committee Minutes

These minutes have been voted on electronically and will be posted on the University web (<http://www.governance.vt.edu>). Note that the purpose of voting on minutes of the University Council Cabinet, Commissions, and Committees reporting to University Council Cabinet is to accept them for filing. University Council Bylaws require that policy items be brought forward in resolution form for University Council action.
