To: Vice President of Policy and Governance

The Staff Senate Committee on Policy and Issues has reviewed and CUS Resolution 2021-22A. We would like to comment that there needs to be clarification about who bears the primary responsibility in electing or appointing a representative from the disability committee to the Transportation and Parking Committee. We do not want there to be confusion where the VT Disability Alliance and Caucus believes that the Office of Equity and Accessibility is taking care of this appointment and vica versa and then no representative is appointed.

We do support this resolution and have no further comment.

Amber Robinson, Chair Staff Senate Policies and
