A motion was made and seconded to adopt the agenda. The motion carried.

2. Approval of Minutes of September 10, 2024

A motion was made and seconded to approve the September 10th, 2024 minutes. The motion carried.

3. Unfinished Business

Carrie Cox presented the Ex Officio Membership update.

Volunteer for Vice Chair AY24-25 was requested. If no volunteer, a co-chair will be appointed at the President's discretion.

4. New Business

Alan Munshower opened discussion on move in lot closures. A lack of communication re: the closures beforehand was noted. Carrie Cox gave a history of parking lot closure communication methods. Going forward, all campus lots will be closed for move-in week Tuesday, Wednesday, and Thursday with Monday having lots not formally closed, but with some restrictions. Will explore if it is possible to send direct emails re: closures vs using only Campus Notices.

7. Other Items

AJ Prussin brought up a post on Everything Blacksburg where a student had questioned if they were required to ride their bike on the sidewalk vs the road. They supposedly had been asked by VT Police to move from the roadway to the sidewalk. Officer Dakota clarified that VT Police are not directing cyclists to ride on the sidewalk, but they are asking cyclists to not ride the opposite direction on the Drillfield. Student may have been asked to move to the sidewalk if they were riding the opposite direction in the road.

9. Adjournment

There being no further business, a motion was made to adjourn the meeting at 11:23AM.
