

UCCGE Meeting Minutes

October 7, 2020

Business conducted by email

1. Vice-Chair Nominations

- Hannah Shinault was unanimously elected vice chair.

2. Pathways Assessment

- Assessment reports for AY18-19 and AY19-20 have been posted in the files section of the UCCGE Canvas site (linked [here](#)).

3. Transfer Support

- The Office of Gen Ed is working with Admissions on Pathways materials targeted to transfer students. These will include: student-created videos, like the ones found [here](#), but from the perspective of transfer students; a [Pathways flyer](#) specific to transfer students; and a searchable and sortable table of VCCS courses that are approved for Pathways credit. We hope to have the materials completed by the end of the fall semester.
