**Results of vote:** 11 yes, 0 no, 1 abstain

### **1b. Update on SCHEV/SACSCOC**

### **2. Sorting Foundational/Advanced Discourse and Quant/Comp and Design/Arts**

Issue: At the time of approval, courses were not sorted into these categories. All proposers have since been asked what they think it should meet. Now how do we vet these categories?

- A subcommittee will be formed to meet and work through these designations. If the review does not match the proposer's request, the proposer will be asked to accept the new designation or go through the formal proposal revision process
- Ann-Marie Knoblauch, Lizette Zeitsman, and Art Keown (?) will meet in the coming weeks to review courses with the design/arts designations
- Foundational/Advanced courses will remain as requested by the proposers
