

## 2024-25 Proposed Goals: Campus Development Committee

### Goal 1

To provide committee members an overview of the committee charge and the role of the committee in Virginia Tech's shared governance

### Goal 2

To provide membership an overview of the campus development process for university projects

### Goal 3

To provide membership the opportunity to view and comment on forthcoming campus development projects and associated site closures or road impacts

### Goal 4

To provide membership the opportunity to participate in campus walks related to campus development

### Goal 5

To provide membership with an annual opportunity to tour a university facility or site
