

2023-24 Proposed Goals	Commission on Faculty Affairs
Goal 1	Clarify the role of clinical service and practice in the context of Promotion and Tenure to propose revisions to the Faculty Handbook in support of these faculty
Goal 2	Clarify the role of the Faculty Senate within the Faculty Handbook with respect to standing and external committees and procedures
Goal 3	Study Promotion requirements for collegiate faculty, including evaluating the current requirements for external reviewers
Goal 4	Evaluate current Faculty Senate representation and discuss the representation of postdoctoral and other research faculty
Goal 5	Recommend best practices for the annual faculty review process
Goal 6	Discuss methods by which to receive faculty feedback on emerging technologies (e.g. generative AI) and for having open and transparent discussions regarding VT policy on these issues
