

2024-25 Proposed Goals: Intellectual Property Committee

Goal 1

Host Committee Charge meeting Fall 2024 for new/returning members to make introductions, provide overview of the purpose of the committee, and showcase IPC Standard Operating Procedures that are to be used if, and only if, needed.

Goal 2

After an initial charge meeting, the IPC meets only as needs arise; therefore, Goal 2 is to effectively mobilize the IPC if, and only if, needed.
