

## 2024-25 Proposed Goals: Library Committee

- |        |  |
|--------|--|
| Goal 1 | Support the library and its faculty and staff in working for budget increases and other matters that enhance library capacity.                         |
| Goal 2 | Promote award opportunities available in the library: (1) Open textbook and open educational resources award, (2) Collaborative research award, etc.   |
| Goal 3 | Conduct a survey of campus academic units for challenges/issues in their teaching and research missions and how the libraries can help address them.   |
| Goal 4 | Plan for continuing electronic resource cost increases that are unsustainable and will impact research, teaching and learning (protect key resources?) |
| Goal 5 | Understand current University Library acquisitions policy and recommend changes as needed.   |
