Information Technology Services and Systems Committee
Suspended
2025-2026 Members

CHARGE: To make recommendations for the effective offering and utilization of the university's information technology services and systems, and to recommend policies that relate to the governance of these services and systems. The committee's scope of concerns includes all information technology services and systems related to instruction, research, outreach, and administration at the university. The committee organizes into subcommittees to address specific aspects of information technology and services and to report to the committee. Each subcommittee will be chaired by a member of the Division of IT with other members being assigned or volunteering based on interest or knowledge of subject matter area. Reports to: University Council Cabinet.

Chair - The committee shall initially elect from its members a chair and vice-chair. The vice-chair will succeed the chair in the next year
