Preamble

BELIEVING that the fundamental goal of this land-grant university is to serve as a dynamic force in society by providing both a reservoir of knowledge and a stimulating academic atmosphere for the transmittal and application of that knowledge; and further believing that the establishment of these conditions encourages the discovery of new principles and truths and the development of an appreciation of human values; and

BELIEVING that the attainment of the objective requires mutual understanding and joint effort of the governing board, administration, faculty, staff, and students; and

BELIEVING that a university functions most effectively under orderly but flexible and adaptive processes of administration and government:

Virginia Polytechnic Institute and State University does hereby enact a Constitution and Bylaws for the University Council with the approval of the President of the University and the Board of Visitors, by whom authority is delegated.

Preface

With the passage of Morrill Act by Congress in July, 1862 and subsequent action of the Virginia Legislature in 1864, 1872, and 1944, Virginia Polytechnic Institute and State University was created and has been developed as a university charged with the responsibility to serve the citizens of Virginia and the nation.

Recognizing the complexity of university governance and acknowledging the need for faculty, staff, and student participation in the conduct of university affairs, the University Council, University Commissions, University Advisory Councils, and University Standing Committees provide an organizational structure through which faculty, salaried staff, student, and administrative responsibilities are shared and fulfilled.

The University Council and the University Commissions constitute the main resident bodies for policy formulation. Their memberships include representation from Administration, Faculty Senate, Staff Senate, College Faculty Associations, Administrative and Professional Faculty Senate, Graduate and Professional Student Senate, Undergraduate Student Senate, and representatives from other interest groups where appropriate. The University Commissions formulate and recommend policies to the University Council, which in turn makes recommendations to the President of the University. Final authority rests with the President of the University and the Board of Visitors.

The Constitutions and Bylaws of the Faculty Senate, Administrative and Professional Faculty Senate, Staff Senate, Graduate and Professional Student Senate, and Undergraduate Student Senate are presented in separate publications. Persons concerned with the governance of the University are encouraged to consult the constitutions and bylaws of these organizations.

d. At the next succeeding meeting of the University Council, the Resolution shall appear on the agenda under Old Business, with the date of the First Reading indicated as well as its deferral status. Deferral requests may be made at this time. If no deferral is requested, the University Council shall act on the Resolution at that meeting.

e. If a request for deferral of the Resolution is made at the time of First or Second Reading, it shall be honored for a time period not exceeding six weeks from the date of the First Reading. However, Council may override a request for deferral by a vote of three-fourths of the membership present. The Resolution, with date of First Reading, will continue to appear on the agenda throughout the period of deferral. Deferral can occur only once for a given Resolution.
f. During the deferral period, the Senates and other governance units may forward recommendations relating to the Resolution to the Secretary of the University Council, and those recommendations will be distributed to Council members with the agenda for the next succeeding meeting.

g. At the end of six weeks after the date of First Reading, the deferral period ends and the Resolution is placed on the Council agenda under Old Business. Subsequent Council action may be approval, disapproval, referral, amendment, or indefinite postponement (which essentially kills the resolution).

h. If the Council refers a resolution to the originating body (or to the Secretary) for editorial changes or to incorporate amendments adopted during Council debate, the edited resolution will be placed on the agenda of the next Council meeting for consideration under Old Business, not subject to deferral.

i. If the Council refers a resolution to the originating body for other than editorial changes or to incorporate amendments adopted during Council debate, the resolution will be considered a “new” resolution when it is resubmitted for Council consideration. That is, it will be placed on the agenda marked “First Reading” as in (a) above, and is subject to deferral.
